2. Introduction

a. Company History

Argus Private Security Force, LLC was founded in Los Lunas, New Mexico in January 2019. The focus on crime prevention, principles, and concepts is one major function of Argus Private Security Force. We are independent and woman minority owned company. In October 2020, we were selected by the Pacific Architects and Engineers (PAE) and AMI Expeditionary Healthcare to provide security services at several sites throughout Navajo Nation to frontline COVID-19. We demonstrated and incorporated commendable private security services into protecting COVID-19 victims at quarantine and isolation sites, PAE and AMI staff, the assets, and property.

b. What Argus Private Security Force does

Argus Private Security Force, LLC is a Private Security Company encompassing guards, private investigative services, security alarm monitoring, armed transport and ATM servicing, security consulting, private and public facility management, overseas private security details, and diplomatic security. We extend and apply crime prevention principles and concepts to protect individuals, residents, commercial organizations, and business communities to clients in the United States and Overseas.
